

Getting there

Airport Taxi

There are air-conditioned taxis queuing at the passenger pick-up area that will bring you to the resort. There are also the cheaper non-aircon ones that you can find in the departure level (upper level) that transport departing passengers. Exit from the departure lounge where you can find the taxis. The air-conditioned taxis charge a negotiable rate of PHP 1,200.00 while the non-aircon ones charge less than PHP 500.00. Before boarding, be sure that rental charges are clearly understood to avoid over-charging.
